

# CAN WE USE THERMODYNAMICS TO PREDICT ADHESION?

An investigation of prospective  
quantitative methods

## Professor John C. Berg

John C. Berg is Rehnberg Professor of Chemical Engineering at the University of Washington. He is author or co-author of 215 refereed articles and book chapters in a wide variety of problems in the area of interfacial and colloid science. His bestselling 2010 textbook, *An Introduction to Interfaces and Colloids: The Bridge to Nanoscience*, has been adopted at more than 50 colleges and universities worldwide.

WEDNESDAY, MAY 17  
4 P.M.

Johnson Hall Auditorium 102
