

CBEE Research/Teaching Lab Access Policy

Effective November 1, 2019

Subject to this policy: Anyone working in or having access to CBEE research and/or teaching labs:

- Faculty/Pis
- Research Associates and Research Assistants
- Instructors in lab classes
- Postdoctoral researchers
- Visiting Scholars
- Graduate Assistants
- Student lab workers (paid or volunteer)
- Honors thesis students
- URSA, REU, John Scholars, or any other specially funded experiential research program participant

In order to maintain a safe laboratory environment, the following procedures must be followed before key or card access will be granted to any CBEE Laboratory:

1. **All labs:** EH&S Lab Safety Training on Bridge (6 modules in total) must be completed, certificate produced to PI and CBEE Director of Operations.
 - a. Employees: <https://oregonstate.bridgeapp.com/learner/programs/c54c52a0/enroll>
 - b. Unpaid Student Workers: <https://students-oregonstate.bridgeapp.com/learner/programs/9e26a87e/enroll>
2. **Johnson Hall Labs:** Johnson Hall Systems Training completed, certificate produced to PI and CBEE Director of Operations.
 - a. Johnson Systems Powerpoint Training <https://oregonstate.box.com/s/igfz9cf6c1lpeqndq1c86qp5sgtk0g41>
3. **BSL2 Labs:** EH&S Lab Biosafety and Bloodborne Pathogen Training
 - a. <https://ehs.oregonstate.edu/bio/training>
 - b. Offered monthly. Calendar available at link above. If training is needed sooner, contact Matt Philpott to setup a special training session (min. 4-5 attendees required).
